NEW OWNER OBLIGATIONS

New owners promise to provide puppy a kind and loving environment, with proper care and necessary veterinarian care. I recommend your Puppy be taken through an obedience/socialization class by 4- 6 months of age. I cannot stress enough, the importance of obedience class and socialization for a German shepherd puppy. The personality of a puppy is well developed by 4-6 months of age and improper socialization (or lack of) can result in an overly anxious/or fearful puppy when attempting socialization as a much older pup or adult.

A well-mannered puppy does **NOT** just happen, your puppy will become what you allow them to become. The buyer agrees to take good care of this dog, feed and house properly, maintain them up to date on shots. The dog's outdoor area shall be safe and secure for the dog and everyone else. If the dog is found to be allowed to run freely and hence creating a public nuisance or found to be neglected, abused or allowed to live in poor health or conditions the Seller has all rights to repossession of this dog with no refund to Buyer. The death, injury or loss of said dog due to theft, carelessness, recklessness, abuse, neglect, heat stroke or accident will not entitle the Buyer to any compensation from the Seller.

Breeder may be contacted at any time for advice and concerns. Please do not hesitate to call if you have questions about your puppy. An occasional update and picture of puppy would be greatly appreciated. New owners must keep address and phone number current with Breeder. Legal actions will be taken to return puppy to Breeder if reports of neglect are indicated. It is our sincere desire to find Forever Homes for our puppies. Do not take ownership of a puppy lightly; if you are not prepared to care for this puppy for his entire lifetime (10-15 years) then do not adopt one of our puppies. We do understand that there are situations that cannot be helped or foreseen.

If for ANY reason the new owners can no longer keep the puppy, they MUST notify Breeder immediately and the puppy/dog must be returned to the Breeder!! You may not resale a puppy you buy from us without our permission. If we find out that this is done there is a monetary penalty of \$5,000.
